2. Part Number

AOC consists of one 22TX and one 24TX AOC. 24TX ATS and 24TX OAT are optional.
The load are compliant to ARINC 665 format and are signed (ADLU ready).
Floppy disk media is no more available.

Note that P/Ns ending with 01 or 02 correspond to CD MEDIA and the ones ending with 30 correspond to electronic delivery media. Both contain binary with a P/N ending with 32.
Example: 222-9359-202 CD MEDIA contains the binary 222-9359-232.

From the table below and depending on your 20TX Aircraft Interface Software, select the part numbers you need to order. Do not mix delivery option (choose either CD or electronic delivery).
