## List of Applicable Part Numbers – Airport/Runway Database October 18, 2022

**\*Bolded lines** indicate that these part numbers have been added since the previous *List of Applicable Part Numbers – Airport/Runway Database* dated August 15, 2022. This document was updated to add additional SVM-6110H part numbers (Page 1). AFD-3740 and AFD-3760 sections were also added. (Page 2).

### The following database type will load into the SVM-6110 Synthetic Vision Module:

Part of the Pro Line Fusion Synthetic Vision System (SVS)  
 Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	SVM-6110 P/N	Jeppesen	Lufthansa
Airport/Runway	964-5741-001	822-2323-001	X	N/A

### The following database type will load into the SVM-6110H Synthetic Vision Module:

Part of the Pro Line Fusion Synthetic Vision System (SVS)  
 Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	SVM-6110H P/N	SVSA-6000 (Customer Reference)	Jeppesen	Lufthansa
<b>Airport/Runway</b>	<b>964-5741-002</b>	<b>822-2539-001</b>	<b>810-0074-510</b>	X	N/A
<b>Airport/Runway</b>	<b>964-5741-002</b>	<b>822-2539-011</b>	<b>810-0074-007</b>	X	N/A
<b>Airport/Runway</b>	<b>964-5741-002</b>	<b>822-2539-101</b>	<b>810-0074-007</b>	X	N/A
Airport/Runway	964-5741-002	822-2539-501	<b>810-0074-007</b>	X	N/A

### The following database type will load into the CCM-5110 Common Computing Module for the Airport Moving Map Application (AMMA-6000):

Part of the Pro Line Fusion Airport Moving Map (AMM) system  
 Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	CCM-5110 P/N	AMMA-6000 (Customer Reference)	Jeppesen	Lufthansa
Airport/Runway	964-9394-001	822-1991-002	810-0325-XXX	X	N/A
Airport/Runway	964-9394-001	822-1991-002	<b>811-6937-007</b>	X	N/A

### The following database type will load into the SVC-3000 Synthetic Vision Computer:

Part of the Pro Line 21 EFIS 3000 and 5000 systems  
 Airport/Runway Database Format Specification 963-7195-002

Database	SVC-3000 P/N	Jeppesen	Lufthansa
Airport/Runway	866-0232-010	X	N/A

**The following database type will load into the AFD-3700:**

Part of the Pro Line Fusion with Touch, Advanced Terrain Function Application (ATF-3500)

Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	AFD-3700	ATFA P/N (Customer Reference)	Jeppesen	Lufthansa
Airport/Runway	946-8187-001	822-3065-001	810-0348-001	X	N/A

**The following database type will load into the AFD-3710:**

Part of the Pro Line Fusion with Touch, Advanced Terrain Function Application (ATF-3510)

Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	AFD-3710	ATFA P/N (Customer Reference)	Jeppesen	Lufthansa
Airport/Runway	946-8187-001	822-3343-001	810-0391-001	X	N/A
Airport/Runway	946-8187-001	822-3343-001	810-0391-004	X	N/A

**The following database type will load into the AFD-3730:**

Part of the Pro Line Fusion with Touch, Advanced Terrain Function Application (ATF-3510)

Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	AFD-3730	ATFA P/N (Customer Reference)	Jeppesen	Lufthansa
Airport/Runway	946-8187-003	822-3547-001	810-0391-001	X	N/A
Airport/Runway	946-8187-003	822-3547-001	810-0391-004	X	N/A

**The following database type will load into the AFD-3740:**

Part of the Pro Line Fusion with Touch, Advanced Terrain Function Application (ATF-3510)

Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	AFD-3740	Jeppesen	Lufthansa
Airport/Runway	946-8187-003	822-3604-001	X	N/A
Airport/Runway	946-8187-003	822-3604-201	X	N/A

**The following database type will load into the AFD-3760:**

Part of the Pro Line Fusion with Touch, Advanced Terrain Function Application (ATF-3510)

Airport/Runway Database Format Specification 963-7195-002

Database	SCID P/N	AFD-3760	Jeppesen	Lufthansa
