

## **Extended Range Operations (ETOPS) for Part 135 Operators (King Schools)**

Type of Course: Operator/Pilot Training

Approximate Course Duration: 1 Hour

This King Schools online course provides off-the-shelf introductory and refresher training information for Part 135 flight operations at extended ranges from adequate airfields. Pilots completing this course will be ready for aircraft and company specific academic, simulator and flight training in extended over-water or polar operations.

This course:

1. Meets an industry need for the 15 February 2008 Part 135 ETOPS implementation.
2. Is a standalone module that fits into a comprehensive Part 135 training package.
3. Can be used as part of a company's training plan to help satisfy the requirements of 14CFR135.345(a)(8) (initial training) and §135.351 (recurrent training) if included in the operations specifications and approved by the Principal Operations Inspector (POI).
4. Is not aircraft or operator specific.
5. Is offered only through individual internet study.

**Price per Student: \$199.00\***

**\*This price entitles the student to ninety (90) days of access to the training materials.**
