

Pro Line II - Electronic Flight Instrument System (EFIS)

RCPN 523-0808754

Type of Course: Flight Line Maintenance (Level I)

Approximate Course Duration: 1 Hour 15 Minutes

This course provides line maintenance personnel with training to operate and perform flight line maintenance on the Pro Line II Electronic Flight Instrument System (EFIS).

Upon completion of this course, the student will be able to:

1. Confirm normal operations of the Primary Flight Display (PFD), Multi-Function Display (MFD), and reversionary mode after component failure.
2. Identify self-test and troubleshooting procedures for the EFIS.

Price per Student: \$100.00*

***This price entitles the student to ninety (90) days of access to the training materials.**
