

Pro Line II - Electronic Horizontal Situation Indicator (EHSI)

RCPN 523-0808755

Type of Course: Flight Line Maintenance (Level I)

Approximate Course Duration: 1 Hour 20 Minutes

This course provides line maintenance personnel with training to operate and perform flight line maintenance on the Pro Line II Electronic Horizontal Situation Indicator (EHSI).

Upon completion of this course, the student will be able to:

1. Confirm normal operation of the HSI Control Panel (HCP-74) when changing displayed information.
2. Navigate using heading information.
3. Change the navigational information displayed.
4. Identify system diagnostic tests and troubleshooting procedures for the EHSI-74 system.

Price per Student: \$100.00*

***This price entitles the student to ninety (90) days of access to the training materials.**
