Manage Profile

Your Profile Information

After you open the manage access page you will be prompted with a list of capabilities that you can enable for your account.

[Manage Profile](#) | [Manage Password](#) | [Manage Access](#)

Manage Access

Requested capabilities

View the capabilities you can currently access, as well as the status of pending requests.

You have not requested access to any capabilities.

Search for capabilities

Type search criteria in the space provided below and then choose **Find Capabilities**.

Request Additional Access

Choose additional capabilities that you would like to access, then choose Submit to forward your request to Rockwell Collins. Your request should be processed within two business days.

Customer Capabilities

Airline

Access news, contacts and product information specific to Air Transport aircraft obtain order status.

Technical Publications and Training

Identify, view and download the most current version of a publication, service bulletin, and related documents by part number, equipment type, system, and similar functions. For FMS Navigation Database, please access <http://www.rockwellcollins.com/fms>

Worldwide Rental Exchange Catalog

Access the Rockwell Collins Worldwide Rental Exchange Catalog in Adobe® PDF format

Supplier Capabilities

Accounts Payable

View dates that items are scheduled to be paid as well as the history of past payments.

Quotes

Allows suppliers to view and respond to Electronic Requests for Quotes also known as eRFQs. The portal then completes all quotes and programmatically selects a winning supplier based on a Total Cost of Ownership formula.

Supplier Scorecard

Allows suppliers to view how they are performing on Rockwell Collins Supply Chain Delivery and Quality measures. Provides details on supplier shipments that are early or late, as well as an overall quality score.

Once you select the Technical Publications and Training checkbox, then select submit at the bottom of the page.
