

Training Registration Process

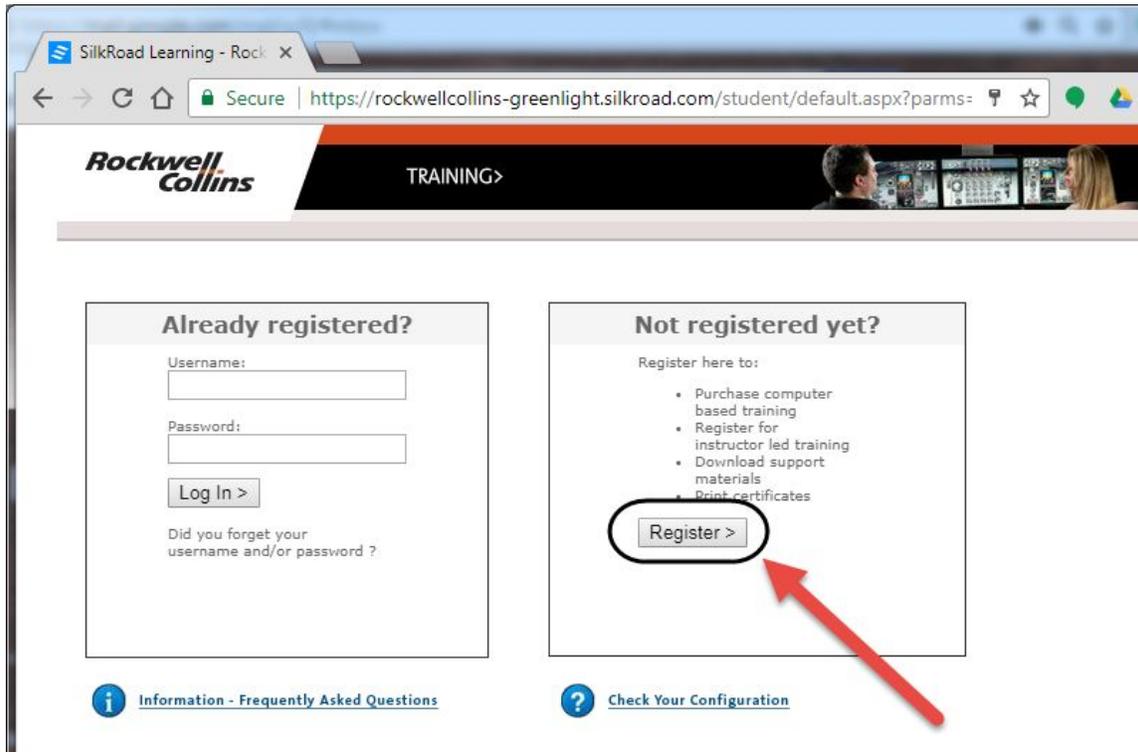

To gain access to training through Rockwell Collins please visit Portal.RockwellCollins.com and navigate to our Publications and Training page under the customer tab.

On the bottom right you will see the link that will direct you to our training Learning Management System (LMS)

Once selected you will be taken to the log in page on our LMS site. If you need to register for a user account select the "Register" button on the right.

Complete the following information and select submit at the bottom of the screen once you are completed.
