Dear MR Accountable Manager,

1. Considering the maintenance procedures covered by Annex B to the Agreement on Civil Aviation Safety between European Union (EU) and the Federative Republic of Brazil and MAG (Maintenance Annex Guidance), this is to inform you that this Agency has **approved** the Rockwell Collins do Brasil Ltda. EASA Supplement revision 0, dated November 20<sup>th</sup>, 2015.

2. The EASA Part-145 approval reference is:

**EASA.145.0796, for Rockwell Collins do Brasil Ltda. valid until August 12<sup>th</sup>, 2018.**

3. This supplement approval allows performing maintenance services on EASA aeronautical products subject to compliance with RBAC 145 requirements and the special conditions as detailed in the Agreement and the MAG. The scope of ratings and limitations shall not exceed the one specified in the maintenance organization's RBAC 145 certificate (COM nr. 7412-05/ANAC), the related operations specifications (EO) and capability list (LC) if applicable.

4. This process can be tracked by the number 00066.005427/2016-13. If you have any question please feel free to contact the ANAC regional office responsible for the AMO surveillance.

5. You are reminded that you will be required to submit your next application for renewal in accordance with the MAG which is available on the ANAC website.

Best Regards,
