Power & Controls/ GOPS New DQR Application Instructions

Review HSM17 Section 5.5.1-5.5.2 to validate that DQR candidate selection and training requirements have been met. Ensure that you have an active supplier portal account and that your citizenship has been validated by your portal administrator.

SUBMIT THE FOLLOWING TO DQRCertification@collins.com**:**

1. ASQR-01 Form 7

2. AS13001 Training Certificate (actual certificate from Probitas, not certificate of completion)

3. Collins DQR Training Certificate

Example: Acceptable Certificates

Note: Your company may be required to complete ASQR-01 Form 8 if you are new to the DQR program, there is a change in the Quality Manager, or the current form is near expiration.

All DQR-related documents and training materials can be found on the supplier portal SSI page: https://suppliers.utc.com/SPPortal/Pages/QualitySSI
