

AHC-85() and AHC-86 Product Discontinuance

Ref. No. 2006-038M

Pub Date 01/2006

Due to the demand for technology advancement and obsolescence of key hardware components, effective June 1, 2006, Rockwell Collins will discontinue taking orders for several AHC-85() and AHC-86 equipment types. Deliveries must be requested before December 31, 2006.

The following equipment will be discontinued.

- > AHC-85
- > AHC-85E
- > AHC-86

Rockwell Collins will continue to provide complete support of fielded AHC-85() and AHC-86 products, including modifications, repair and technical support through Rockwell Collins service centers. We currently project these products will be fully supportable for approximately ten years.

ROCKWELL COLLINS AHC-3000

The AHC-3000 product line will continue to meet your AHRS Computer needs. Our commercial AHC-3000 systems offer:

- > Greater Functionality
- > Improved Reliability/Mean Time Between Failures (MTBF)
- > Longer Period of Supportability

This means Rockwell Collins newer AHC-3000 equipment types provide improved performance and lower lifecycle cost than their predecessors.
