Rockwell Collins may still be able to offer assistance in troubleshooting and repairing many of the affected LRUs, subject to material availability. However, Rockwell Collins reserves the right to decline a request for service and/or a request for quote to repair the affected product. In addition, while Rockwell Collins may agree to attempt to repair a product, it does not guarantee the repair can be completed. In the event it is determined the product is beyond Rockwell Collins' repair capabilities the product will be returned in 'as-is' condition.

What are my options?

Upgrade to a CDU-4500 and CDU-6200

Your most sustainable and future-proof option is to upgrade your current CDUs to our latest Liquid Crystal Display (LCD) products. LCDs provide a modern, reliable drop-in replacement that significantly improves reliability and reduces weight.
