Rockwell Collins will maintain a suitable balance of the obsolete non-procurable parts to continue to provide field support of the existing units. Rockwell Collins will continue to provide the service and support you have come to expect, however, Rockwell Collins reserves the right to decline a request for service and/or a request for quote to repair the affected product when parts become unavailable. In addition, while Rockwell Collins may agree to attempt to repair a product, it does not guarantee the repair can be completed. In the event it is determined the product is beyond Rockwell Collins' repair capabilities the product will be returned in 'as-is' condition.
